USSIA Participates in TRIAS Project Reflection Meeting

On 12/07/2024, the Uganda Small Scale Industries Association (USSIA) actively participated in a significant reflection meeting organized by TRIAS, an international development organization. The meeting aimed to evaluate the progress and impact of various initiatives under the TRIAS project, which is focused on enhancing the capabilities and sustainability of small-scale industries in Uganda.

The reflection meeting brought together different member based organizations like TUNADO, UNIFA, KAPPCO and other partners, to discuss achievements, challenges and future strategies. The primary objective was to assess the effectiveness of the interventions implemented so far and to gather insights that would inform the planning of future activities. With the collective effort of all the participants, the project is poised to make even greater strides in empowering small-scale industries and fostering sustainable economic growth in Uganda.

USSIA Hosts Agro Processing Sector Meeting in Hoima

On 11/07/2024, the Uganda Small Scale Industries Association (USSIA) organized a pivotal meeting for the agro-processing sector in Hoima. This gathering brought together 24 agro-processing members key stakeholders, including small-scale agro-processors, industry experts, and government representatives, to discuss challenges, opportunities, and strategies for enhancing the agro-processing industry in the region.

The agro-processing sector meeting in Hoima was a significant step towards addressing the challenges and unlocking the potential of the industry. With the collective effort of all stakeholders, the sector is poised to make meaningful contributions to the local economy, improve livelihoods, and drive sustainable development in the region.
